

2 July 2013

Dear Parent

Further to our previous letters we would like to inform you that the starts date of term for year 7's will now be Thursday 12th September at 9am, meeting in the School Hall.

We feel that it is imperative that your son has a smooth transition into secondary school. By starting earlier we will be able to complete any administration tasks before we start the full curriculum on Monday the 16th of September, this will also allow more time for the Year Group to get to know the school and the other students better.

During the two days we will be running team-building activities and there will an opportunity to spend more time with the tutors and another chance to learn more about the School.

Students will need to wear suitable clothing for sporting activities on these two days and should bring a packed lunch for Thursday. During the day each student's biometric account will be set up instructions on how to credit these accounts were included in the welcome pack. If for any reason they were not included please contact Tracey Blake in the finance office on 01424 448328. Students will be able to purchase lunch on the Friday, using their biometric account or can elect to bring a packed lunch. No cash will be accepted in the school canteen.

Can I please also remind you that school uniform will be available to purchase on site on Friday 13th, Saturday 14th & Sunday 15th September, vouchers for replacement uniforms are only available to years 8-11. All students will be expected to wear full uniform from Monday 16th September.

If you would like to discuss anything further or need any clarification please do not hesitate to get in contact.

Yours sincerely,

Mr G Morris

Learning Leader Year 7
