

16<sup>th</sup> March 2016

Dear Parents

We are pleased to announce that Jane Fletcher is joining us as our new Regional Director for Secondary Schools, starting in September. She joins us from Harris Girls' Academy in East Dulwich, where she has been Headteacher and Executive Headteacher since 2008. She led that school out of special measures, to a 2012 Ofsted Outstanding rating.

Ms Fletcher is an educator with a proven track record of transforming schools. Harris Girls' has been in the top 3 percentile nationally for progress for the past 5 years consecutively and is currently in the 1<sup>st</sup> percentile.

Ms Fletcher will be working directly with Acting Principal, Terry Kelly to support Ark William Parker in its continued progress towards academic excellence.

We believe that we now have a very strong senior leadership team in place for both Ark William Parker and Ark Helenswood. I know you will join me in wishing Ms Fletcher a warm welcome.

Best regards

Rebecca Curtis  
Executive Chair of Governors
