Dear Parent /Carer

Year 10 Trip - The BIG Futures Show, Eastbourne Sports Park, 24th April 2018

I am delighted to be writing to you to inform you that we are securing places to the BIG Futures Show on the 24th April. This will likely be during the afternoon of the school day. Students will attend school as normal in the morning.

The BIG Futures (BFS) show is the largest employability and skills event in East Sussex, with over 90 exhibitors and offers students the opportunity to meet with a wide variety of further education and training providers and prospective employers. BFS provides young people across the county with information, advice and guidance about a range of careers and opportunities.

Potential employers will be offering interactive exhibits and guidance aimed at inspiring tomorrow's workforce. They will be looking your son's talent and will be explaining what qualifications they are looking for. Colleges and universities will also be on hand to show what they have to offer, and where it fits with employer's requirements.

Students will take part in preparation activities before the day in school and will be provided with a comprehensive guide.

The cost of this event is £7.50 which includes entry, show guide and transport. For further information please go to: www.begfuturesshow.org.uk

Kind regards
