Dear Parent,

As you aware, we are very lucky to have wonderful grounds here at William Parker. With such amazing grounds come huge responsibilities in terms of safeguarding. To ensure that we are a safe site and that we protect both our students and staff, I am putting the following measures in place immediately from Tuesday 4th July 2017:

- The upper school student gate will not open in the mornings until 8.30am.
- If your son would like to come onto site before then, he will need to ensure that he comes in through the lower gate, which will be open to students from 8am as usual.

Thank you for your support with this extremely important aspect in keeping the site secure for all students. There will be further changes that will be implemented for September that I will write to you about in my end of year letter.

In the meantime, if you have any suggestions, please write in to the academy and let me know.

I very much look forward to hearing from you.

Many thanks

Stephanie Newman
Principal
