

Dear Parent/Carer

Industrial Action on Tuesday 5 July 2016

As you will be aware the teaching union NUT has balloted its members for strike action regarding teachers' pay, terms and conditions of employment.

As a consequence of this strike action I now write to advise you that the Academy will be open to Year 10 and 6th Form students, but will be closed for Years 7, 8 and 9.

I recognise the impact that this has on parents, carers and students. However we have reached this decision after fully considering the Health and Safety of all students which must be our highest priority.

Ark William Parker Academy will open again as usual on Wednesday 6 July 2016.

Yours faithfully

Terry Kelly
Principal
