

14th December 2018

Dear Parent/Carer

Inspection of Ark William Parker Academy on 17th December 2018

I am writing to inform you that we have been contacted today by Ofsted, to advise us they will be visiting on Monday 17th December to hold a monitoring visit at the school.

We are expecting this to be a one-day monitoring visit under Section 8 of the Education Act 2005.

We are pleased with the timing of this visit, as we all know that with your continued support, we are making significant progress.

We would greatly appreciate you taking the time to recognise our progress by taking part in the short parent view survey at the address below: (which will also be on our website)

<https://parentview.ofsted.gov.uk/login?destination=give-your-views>

I look forward to coming back to you in due course regarding the outcome of the visit.

Yours sincerely

Stephanie Newman
