

16th October 2017

Dear Parent/Carer

After a fantastic start to the Autumn term, I am glad to share with you how proud we are of the students' attendance, punctuality and achievements. There is an excellent atmosphere in the Academy and we are seeing our students settle down well to work in lessons.

With this in mind, I am pleased to inform you that a team from Ofsted will be visiting us over the next two days (please see the letter overleaf). This will give the staff and students a great opportunity to demonstrate the progress that the Academy is making.

Thank you once again for your continued support.

Yours faithfully

Stephanie Newman
