

June 2017

Dear Parent/Carer

### GCSE Examinations 2017

Year 11 students have worked extremely hard during the GCSE examinations so far and we are very proud of them. All students still have six more examinations and some have many more. We would therefore be grateful for your support in encouraging your son to continue to come into school to attend revision sessions in subjects which are not yet complete. Their teachers will still be available during timetabled lesson times and are very keen to support Year 11 pupils with their revision.
