

17 September 2014

Dear Parents and Carers

Year 11 Curriculum Information Evening

I have pleasure in writing to invite you to our curriculum information evening on Wednesday 24 September 2014 in the school hall from 6.30pm – 7.30pm.

The information evening will enable us to inform you of the content of your son's curriculum, this year, the structure of his GCSE examinations and important information about GCSE English, Maths and Science. We will also be able to discuss how and when he will be assessed and how we can work together to offer the best support at home and school so that students are well prepared for their examinations and school assessments.

This will also be an excellent opportunity for you meet staff leading the English, Maths and Science faculties who can detail the requirements of students in these areas.

I very much hope you will be able to join us for this event which is for parents and carers and not intended for students themselves. So that we can ensure adequate seating and catering please confirm your attendance with Mrs Payne in Student Services either by telephone, returning the attached slip or by email to a.payne@arkwilliamparker.org. If there is something specific you would hope that the evening includes please get in touch so that we can endeavor to include it.

I look forward to seeing you next week. Please do not hesitate to get in contact if you would like to discuss anything further.

Yours faithfully,

Daniel Hatley
Associate Principal

Name of Student: _____ Form _____
